

THOR Manufacturing LIMITED WARRANTY

1. Limited Product Warranty and Exclusions

THOR Manufacturing provides a limited warranty that covers defects of your products. The warranty period is for 2 years and begins on the date of purchase by the original end user. Warranty claims may only be made by, or on the behalf of, the original end customer.

THOR Manufacturing will, at its option, repair or replace the defective component(s) free of charge, provided that THOR Manufacturing is notified of the defect during the warranty period and a dated proof of purchase is furnished. THOR Manufacturing reserves the right to inspect the faulty component(s) and determine if the defect is due to material or manufacturing flaws. THOR Manufacturing also reserves the right to charge for service time expended if the defect is not due to material or manufacturing flaws or is not for some other reason subject to this limited warranty.

THOR Manufacturing does not warrant inverters from any and all defects or damage caused by:

- a) Normal wear and tear
- b) Shipping or transportation damages
- c) Improper installation
- d) Exposure to unsuitable environmental conditions (including but not limited to damage due to lightning strikes)
- e) Unauthorized or abnormal use or operation
- f) Negligence or accidents
- g) Material or workmanship not provided by THOR Manufacturing or its authorized service centers
- h) This warranty does not cover costs related to the removal, installation, or troubleshooting of your electrical systems

THOR Manufacturing will, at its option, use new and/or reconditioned parts in performing warranty repair and in building replacement products. THOR Manufacturing reserves the right to use parts or products of original or improved design in the repair or replacement. If THOR Manufacturing repairs or replaces a product, its warranty continues for the remaining portion of the original warranty period or 90 days from the date of the return shipment to the customer, whichever period expires later. All replaced products and all parts removed from repaired products become the property of THOR Manufacturing. THOR Manufacturing covers both parts and labor necessary to repair the product and return shipment to the customer, via a THOR Manufacturing selected non-expedited surface freight carrier within the continental United States. The warranty does not cover any cost associated with installation, removal or re-installation of the Inverter.

Limitation of Warranty Scope

- a) THOR Manufacturing makes no warranty of any kind, express or implied, including without limitations the implied warranty only applies to THOR Manufacturing branded products. All other name brand products are warranted by and according to their respective manufacture. Please do not attempt to return non-THOR Branded products to THOR Manufacturing.
- b) In No event shall THOR Manufacturing be liable for indirect, special or consequential damages.
